TESTIMONIAL

Re: Richard Kratochwil, Richard's Designer Homes, Dundowran Beach, Queensland

Richard built our designer home at 1 Nautilus Court, Dundowran Beach in 2016.

This is a very large (4 bedroom plus study), prestige home with the best quality fittings and fixtures.

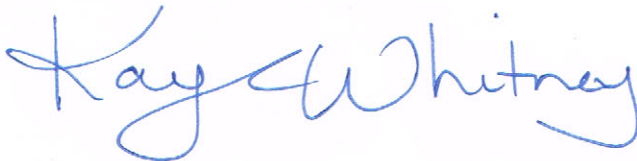

We watched as the home was being built and can testify that the builder made every effort to ensure the quality and finish was exemplary.

Richard proved to be a very competent builder, kept to a strict schedule, and organised tradies and sub-contractors to complete the job most satisfactorily.

Richard knew the products he was dealing with and recommended materials, and design aspects where necessary.

We would highly recommend Richard to any person wishing to build their own home.

Yours sincerely

Rob Whitney
